

You're Invited!

Neighborhood Orange Snow Cone Party

The Salt Lake City Department of Public Utilities is building a new Water Reclamation Facility and repairing and replacing sections of the sewer pipe that are in poor condition. You may soon be seeing signs of construction around your neighborhood.

Before orange construction cones start to appear, we are holding an orange snow cone party. Come and enjoy a cool treat and learn about these projects.

WHEN

Monday, September 9

5:00 p.m. – 7:00 p.m.

WHERE

Kletting Park

164 B Street E

We hope to see you there!
